"When I arrived at Lazarus House I no longer knew who I was and the person I used to be was gone. I thought I would just be getting a bed at night and a little food during the day, but I realized that I have received so much more from everyone at Lazarus House. I have received support, encouragement, laughter, and hope. After many years, I am finally beginning to emerge from the fog I was once in and see little bits of myself again and it feels really good. Thank you."

~ in a Guest's words

"Lazarus House is a sterling model of community-based support for meeting the wide-range of housing and supportive service needs of the homeless."

Working together to offer hope
and a future

Finding SOLUTIONS for HOMELESSNESS

At Lazarus House, we are working together to offer hope and a future.

Who We Are

Our mission is to offer guests connected to our communities, who are homeless or in need, hope for the future by providing hospitality, food, safe shelter, and education – tools for life. We strive to make certain that all who enter feel the love of Jesus.

Our desire is to offer everyone who comes to our doors the opportunity for hope and a future. We give people a hand up, not a hand out. Together with other agencies, volunteers, federal, state & community resources and our donors, we provide the services needed to individuals/families.

Our goals are to:

- Help homeless persons return to independent living with the skills and habits needed for long-term success.
- Offer services and referrals to help those in need in our community in order to prevent homelessness and support the well being of individuals and their families.

"I am grateful to Lazarus House for raising my awareness of the needs of the less fortunate in our community. It gives me the opportunity to truly serve my brothers and sisters in need. This is an incredible gift to all of us and we are better people for it."

How We Help Our Community

Do you have a family member, friend, neighbor or co-worker:

- **Who is late in paying rent or utilities?**
We, and several other community agencies, may be able to provide persons in need support for rent and utilities through limited grant funds.
- **Who can't work due to medical, mental health or other issues?**
We can discuss possible benefits to which they may be entitled and refer them to other support services.
- **Who doesn't know where to go for help & resources?**
Contact a *Case Manager* today for help or more information at **630-587-2144**.

How You Can Help Us

Lazarus House utilizes the services of people in the community in various ways:

- **Volunteer** – time/talent, serve food, cook a meal, teach a class, mentor/tutor, baby-sit for children so their parents can attend classes, help in office/special events, pick-up donations, run errands, daytime or overnight volunteer, fundraising or perhaps in some other way.
- **Support Job Placement** – identify, help place and mentor guests in jobs for which they qualify.
- **Donate** – your cash, in-kind donations & benefit charity events are greatly appreciated.
