A Message From Our Executive Director

Have you ever considered grace? We hear it all of the time at church but it's not very often a part of our daily conversations. In the last two months, the team at Lazarus House has been submerged in Graceology. Webster's Dictionary defines grace as the unmerited divine assistance given to humans for their regeneration.

Ephesians 2:8-9 states, "For by grace you have been saved through faith. And this is not your own doing; it is the gift of God, not a result of works, so that no one may boast." WHAT? Undeserved favor so we grow? We cannot earn it? A free gift?! We believe that this undeserved favor should be shared because we get it; we have to give it! Over the last two months we have grown in our grace giving and seen the real life impact of undeserved favor on our ourselves, our guests and co-workers. We are working with our neighbors to identify the best path for each one individually and we are watching the flowers of their lives bloom.

We have room for more grace givers here! Lazarus House always welcomes new volunteers. Check out our website for times and dates for the next volunteer orientation. There are a million ways to serve! I pray that the rest of your summer is filled with grace and love! Thank you all for your support!

In grace and love,
Leanne Deister-Goodwin

"I had nowhere to go, I felt depressed and lonely. Staff had a smile on their face and welcomed me with open arms. After a day or two I felt welcome and had hope. Thank You."
