Introducing... Lazarus House is in such a season of transition including wonderful team members taking on new challenges. Please celebrate these dedicated individuals who bring their purpose and passions to the house to serve. We are truly blessed to have them at Lazarus House.

On February 16, 2017, **Stephen Paul** started as the Men's Shelter Case Manager. This was a new adventure for him having a law degree, private practice, and working in the Regional Defense Counsel of the U.S. Army Reserve. Quite the switch! Stephen has a passion for people, and he flourished in the position. Later in 2017, he moved to being the Men's Transitional Living Case Manager, and now with Carol Kreger retiring on May 31st, Stephen is taking on his next challenge - **CTL Manager**. Congratulations, Stephen! We look forward to the care you continue to give to the guests in the Center for Transitional Living!

Julie Purcell is one of those people who you can always depend upon. During her eight years on staff, she has worked in many areas at Lazarus House from administrative assistant to grant writer. Her background and expertise—along with her love for the guests and staff—made her the perfect person for the new **Development Director** position which she began on April 1. At Carol's retirement, Julie will also take the dual role as **Associate Director**. All of this is an exciting new direction for Julie and the House!

Amy Dimiceli has served Lazarus House for 15 years in a variety of roles and is currently taking on the role of **Operations Manager**. She oversees a staff of eleven dedicated Operations Coordinators, whose job it is to keep the house running smoothly. She's an amazing mom, wife, sister, daughter and friend who is passionate about her work at Lazarus House. Amy is focused on staff support and safety for all team members and guests at Lazarus House. She does some amazing impersonations that keep us belly laughing every day. We think Amy's specialty is bringing people together in a way where each individual is valued and is allowed to thrive!

Celebrate our team with us as we grow in strength and vision for what we are all called to do to serve this community. If you would like to be a part of Lazarus House, check out our volunteer opportunities and needs list at www.lazarushouse.net.

Can You Help Us Reach Our Goal?

We have almost reached our Capital Campaign goal! Over the last several months, the support for Lazarus House and our renovation project has been profound. We have seen businesses, foundations, families, individuals and faith communities really understand and come alongside our mission and this project. We are truly blessed by each and every donation made toward making this dream a reality.

We are not quite to our goal so, please, if God moves your heart, all gifts are appreciated. If financial contribution is not possible, please pray for this home, guests, and staff. If you are curious and want to take a look at what is happening, give us a call! Thanks again for all you do and, please, come on over and let us show you what God is up to.
